In the box below, please explain why you should be considered to be part of this training program? (Limit text to 50 words)

Along with my interest to be selected, with VOLT I can prepare and aware myself with larger IEEE operations and working outside of section and region which can guide me to be better SAC Chair this year and Secretary next year for Karachi Section. It will enhance my skills.

For each qualification you checked in the list above, you may provide a short description of your experience in the box below if you think it is relevant. (Limit text to 50 words)

I have volunteered in Section's events; VOLT in which I have worked with Sarang Sheikh Graduate of batch 2014, also I was speaker of Public Visibility. Volunteered in TISP, AGMs, TS organised by section. I was Active in ACM as a resource provider. I was SB chair, organised first ever branch level SIGHT Activity.
